

DREAMS TAKE FLIGHT, APRIL 2013

Dreams Takes Flight, Air Canada's annual trip to Disney World, Orlando Florida has offered ASM the opportunity to send 2 children (plus one parent or caregiver each) in April 2013 to Disney World.

Eligibility rules are as follows:

- The child must be between 6 and 12 years old.
- Financially the child **would not have** the opportunity to ever experience Walt Disney World or any Disney Theme Parks
- The child **has never been** to Walt Disney World or any of the Disney theme parks
- The child, parent and/or caregiver must be a Canadian citizen and have, or be able to obtain a valid birth certificate and passport
- The child and parent or caregiver must be able to legally enter the USA.
- The child is physically able to handle the long and extremely tiring day (approx 20 hours)
- You must be available to travel in the month of April; the date is yet to be determined by Air Canada.

Final decision rests with Air Canada and the Dreams Take Flight Committee after we submit the selected names to their committee. Please do not suggest or tell your child they are the winner until confirmed in writing by Air Canada Dreams Take Flight.

The trip is open to all current Autism Manitoba members whose child is living with ASD.

Air Canada will also provide travel to and from Winnipeg as well as accommodations in Winnipeg one day prior to the flight for anyone living in rural Manitoba. Exact details will be provided after the selection process has been completed.

ASM is once again requesting that any family wishing to submit their child's name for an opportunity to be selected for this amazing journey to write to us. Just send us a detailed letter stating why you believe your child would be a great choice to partake in this event.

All submissions are held in strict confidence. A committee of ASM board members will meet and review all letters received.

All letters are to be received no later than November 28, 2012
