

Manitoba Families for Floortime

"What we learn with pleasure, we never forget." - Alfred Mercier

Manitoba Families for Floortime is a group of parents and educators who support a Developmental, Individual Difference, Relationship-Based program as an effective, play-based approach in autism therapy.

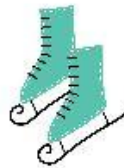

DIR/Floortime is a funded, research-supported government program offered through Autism Outreach in Winnipeg.

Our goal is to be a source of information and mutual support for parents interested in DIR/Floortime and to raise awareness of the program in the broader community.

We're hosting a

Winter Family Fun Afternoon

Saturday, January 5, 1-3 pm

Come join us for snacks, skating, games in the gym... we'll have toys for little children too!

We are looking for interested parents to join us! If you're new to Floortime and looking for support, or if you're a veteran and have experience to share, we would like to meet you!

We meet monthly to support one another and to share resources and ideas.
