

# Parent Leadership Development

**March 11 to 13, 2011**

Wilderness Edge Resort and Conference Centre  
Pinawa, Manitoba

*An opportunity to listen, learn, discuss,  
laugh, cry and grow!*

If you are the parent of a child with a disability, this is an opportunity for you. Come away for a weekend and join other parents who have similar experiences. Your time away will be spent in a beautiful location with all of your creature comforts cared for as you learn about the gifts and talents that you and your child bring to the world. During your time with us, we will also explore topics that range from your communication and support styles, how to become a better advocate, what to do when confronting obstacles and supported decision making. Time for rest and relaxation will also be in store as we make our way through the weekend program. Join us for our ever popular parent leadership development weekend. Space is limited so register soon!
