

# AUTISM SOCIETY MANITOBA PARENT SUPPORT GROUP

## OUR PURPOSE

While recognizing that parents and caregivers are the single most important resource that our children have, Autism Society Manitoba Parent Support Group wants to offer support to one another by:

- Sharing knowledge, experience and practical tips
- Connecting with other families
- Providing an increased sense of belonging
- Offering support outside of the group
- Increasing community awareness and knowledge
- Organizing educational presentations and guest speakers
- Providing monthly meetings establishing a resource network of available services and equipment

## OUR GOAL

- To provide support
- To share experiences
- To develop a networking forum for families of children and adult children with autism spectrum disorders
- To enhance community awareness

**Our meetings are on the third Wednesday of every month 7:00pm-9:00pm**
